Your New Bill Summary Page

The first page of your new billing statement summarizes your monthly activity.

Subsequent pages explain your charges in more detail.

Identification

This information appears on every page of your bill. It includes your name, account number, billing date, payment due date, and a number you may call for inquires.

Return Stub

Detach this section at the perforation and return it to our office with your payment. This stub displays information we need to post the payment to your account properly. This includes your name and address, account number, and the amount you owe. There is also space for you to write in the actual amount of your payment (unless the bill will be paid automatically). Our address also appears on this page so that it will show through the window in your return envelope.

Charges Inside Your Bill

Current Service Charges

This area lists each recurring monthly charge posted to your account for a subscribed service network such as telephone service. This section identifies each charge and shows the effective dates, number of units charged for, the cost per unit and the total cost. This area may be followed by a section for Other Charges and Credits, which displays any non-recurring charges and credits posted to your account during this billing cycle. It includes a description of each charge or credit and the amount. Any associated Taxes, Surcharges & Fees will also be displayed.

2 Current Long **Distance Charges**

This section shows all the toll calls placed during the current billing cycle. In addition to details for each toll call, it groups calls by "call type" to show all calls and subtotals within each calling plan, direct dialed, and other call types. The calls are also grouped and subtotaled by long distance carriers and you may have separate sections or pages for calls handled by different carriers.
